

List of medical services

Nr.	Treatment	PRET (RON)	PREIS (EURO)
1.	Complex examination, treatment planning and financial quote	60	15
2.	Field isolation with rubber dam	20	5
3.	Local anesthesia	20	5
4.	Consultation kit	6	2
5.	Retroalveolar Xray	15	4
6.	Panoramic X ray	40	10
7.	Study models	40	10
8.	Wax up /tooth	40	10
9.	Vacuum formed t ray for occlusal therapy	125	40
10.	Glassionomer cement filling	90	30
11.	Esthetic composite filling on a frontal tooth	150	38
12.	Direct composite veneer on a frontal tooth	200	50
13.	Esthetic composite filling on a lateral tooth	160	40
14.	Indirect pulp capping	35	8
15.	direct pulp capping	45	12
16.	Application of a parapulpal pin	30	8
17.	Fiberglass cone	60	15
18.	Coronal rebuild with fiberglass cone and direct composite system	240	60
19.	Prophylactic seal of a lateral tooth	40	10
20.	Provisional endodontic filling with calcium hidroxyde on a monoradicular tooth	40	10
21.	Provisional endodontic filling with calcium hidroxyde on a biradicular tooth	55	14
22.	Provisional endodontic filling with calcium hidroxyde on a pluriradicular	75	19

List of medical services

	tooth		
23.	Emergency drainage	50	12
24.	Antiseptic provisional filling	40	10
25.	Root canal treatment with special systems on a monoradicular tooth	240	60
26.	Root canal treatment with special systems on a biradicular tooth	280	70
27.	Root canal treatment with special systems on a pluriradicular tooth	360	90
28.	Root canal retreatment on a monoradicular tooth	280	70
29.	Root canal retreatment on a biradicular tooth	320	80
30.	Root canal retreatment on a pluriradicular tooth	400	100
31.	Scaling and root planing, removal of plaque retention factors/ tooth	18	4,5
32.	Cleaning with Prophy Jet System on a dental arch	150	38
33.	Flapless curetage/ tooth	40	10
34.	Flap (open field) curetage/tooth	60	15
35.	Parodontal treatment	60	15
36.	Dental splinting with Construct system / tooth	125	32
37.	Emergency treatment of a parodontal abscess	80	20
38.	Mobile tooth extraction	40	10
39.	Monoradicular tooth extraction	60	15
40.	Pluriradicular tooth extraction	80	20
41.	Surgical extraction with root separation	120	30
42.	Surgical remove of impacted third molar	240	60
43.	Suture with silk thread	60	15
44.	Suture with synthetic thread	150	38

List of medical services

45.	Gingival remodeling with electrocauter	80	20
46.	Apical resection on a frontal tooth	250	60
47.	Apical resection on a lateral tooth	350	80
48.	Root surface with flap	400	100
49.	Bone surgery for gingival contour remodeling	220	55
50.	Gingivectomy	80	20
51.	Surgical kit.	80	20
52.	Alpha BIO DFI implant	1500	350
53.	Alpha BIO SPI implant	1700	400
54.	Alpha Bio SIN CON implant	1700	400
55.	Bio Oss (0,5 gr)- purchase price of product	350	80
56.	Bio-Oss application	160	40
57.	Collagen bone (purchase price of product	390	95
58.	Collagen bone - application	120	30
59.	System Perio (collagen bone with Bio Guide membrane)-purchase price of product	750	170
60.	System Perio - application	200	50
61.	Regenerative collagen mebrane (Bio Guide) - purchase price of product	520	120
62.	Application of regenerative collagen membrane	170	40
63.	Bio Guide Membrane 25 x 25 mm/purchase price of product	590	135
64.	Bio Guide Membrane 30 x 40 mm/ purchase price of product	910	210
65.	Nonresorbable Membrane/ purchase price of product	1520	380
66.	Application of Nonresorbable Membrane	450	110
67.	Removal of nonresorbable membrane	220	55

List of medical services

68.	Metal-ceramic crown and abutment over an implant	1700	380
69.	Zirconium ceramic crown and zirconium abutment over an implant	2100	525
70.	Extern sinus lift	500	125
71.	Intern sinus lift	350	85
72.	Metal-ceramic pontic in a bridge over implants	800	200
73.	Zirconium ceramic pontic in a bridge over implants	1500	375
74.	Monoradicular cast post	160	40
75.	Pluriradicular cast post	200	50
76.	Metal crown	220	55
77.	Metal-composite crown	300	75
78.	Metal-ceramic crown (Cr-Co)	800	200
79.	Metal crown with porcelain veneer	370	90
80.	Zirconium or alumina ceramic crown (metal free)	1200	320
81.	Pressable ceramic crown (metal free)	1000	250
82.	Porcelain inlay	750	190
83.	Porcelain veneer	900	225
84.	Porcelain fused to gold alloy crown	1000	250
85.	Composite crown (metal free)	250	70
86.	Crown cut and remove	40	10
87.	Crown cementation with classic cements	25	6
88.	Crown collage with dual cure systems	60	15
89.	Indirect provisional crown	100	25
90.	Direct provisional crowns (direct in the office)	60	15

List of medical services

91.	Reinforced composite adhesive bridge (Belle Glass or other similar systems): 3 elements	750	190
92.	Acrylic partial or complete dentures	1000	250
93.	Removable partial dentures with clasps	2000	500
94.	Removable partial dentures with special attachment systems	2400	600
95.	Impression for indirect repair of a denture	120	30
96.	Impression for indirect relining of a denture	140	35
97.	Direct relining of a denture in the office	180	45
